"SAS Ground Handling can now ensure their equipment are securely connected to the cloud, and that they can enhance the safety and security protocols implemented at the edge in a matter of seconds."

AARON ARDIRI,
CEO OF RIOT SECURE

"With this design, the customer can choose the most appropriate micro-controller for the task at hand while also being completely isolated from hackers and minimizing security vulnerabilities."

BJORN DE JOUNGE,
HEAD OF BUSINESS DEVELOPMENT AT RIOT SECURE
